

## Grammaire française (1586)

Texte latin original

Publication type: Book

Author: Cauchie (Antoine)

Editor-translator: Demaizière (Colette)

Abstract: A tutor for young German nobles, Antoine Cauchie is the author of a French grammar written in Latin. The exposition demonstrates a profound reflection on the language and the way it functions. The paratext repositions the work as part of the wider effort to codify French grammar in the sixteenth century.
