

Henri Estienne, érudit, novateur, polémiste

Étude sur *Ad Senecae lectionem Proodopoeiae*

Publication type: Book

Author: Carabin (Denise)

Abstract: The *Ad Senecae lectionem Proodopoeiae* marked a new phase in Henri Estienne's abundant editorial production. This study reveals the art of his erudite criticism and the personality of a writer who explored, through classical culture, the style of the moral philosophy relevant to his century.
