

Hervé Guibert

Les échos d'une œuvre, d'hier à aujourd'hui

Publication type: Collective work

Editors: Genon (Arnaud), Libasci (Fabio)

Abstract: Thirty years after the death of Hervé Guibert, this volume brings together the lectures delivered at a symposium in his honor, held at Villa Medici in 2021. The echoes, past and present, of his work are studied, with particular attention paid to his relationship with Italy, and shedding light on the influences of an author whose work remains relevant today.
