

## La brigade folâtre, les *Amadis* et Louise Labé

Publication type: Article from a collective work

Collective work: [Illustrations inconscientes : écritures de la Renaissance. Mélanges offerts à Tom Conley](#)

Author: Huchon (Mireille)

Abstract: Mireille Huchon studies the daring writing of the four books of the Amadis cycle that appeared from 1551 to 1556 in French in order to establish a link with the « invention » of Louise Labé in Lyons' humanist circles.
