

## « Imprimer en notre souvenance »

Enjeux et pratiques de la mémoire et de l'oubli à la Renaissance

Publication type: Collective work

Editors: Beuvier (Jean), Paoli (Lorenzo), Pinet (Guillaume)

Abstract: "To Imprint in our remembrance" and a "desire to forget". This paradox of Montaigne synthesises the complexity of the Renaissance relationship with time and is the starting point of this volume, which analyses its consequences from a political, religious and cultural perspective.
