

« Je ne suis pas philosophe »

Montaigne et la philosophie

Publication type: Book

Author: Comte-Sponville (André)

Abstract: "I am not a philosopher," wrote Michel de Montaigne in the *Essais*. This text aims to show that despite this he was, perhaps all the more so the less he claimed to be one. He read philosophers, confronting them with each other and himself, and liked philosophy to be vibrant, joyful and "playful."
