

Salads, pies, and jams

Plants “dressed up” in Rabelaisian cuisine

Publication type: Journal article

Journal: [L'Année rabelaisienne](#)
[2022, n° 6. varia](#)

Author: Marrache-Gouraud (Myriam)

Abstract: The plants used in Rabelaisian cuisine are adapted for various recipes that reveal their dietary, medical, and culinary properties as well as their comedic potential. The recipes studied will show how salad, pie, and jam make sense by themselves and beyond themselves.

Pages: 269 to 291
