

L'Écriture d'André Gide à la lumière de Luigi Pirandello

Publication type: Book

Author: Longo (Marco)

Abstract: Some of Gide's literary techniques and ethical themes echo those of Pirandello. The analysis of Gide's works through Pirandello's fictional, dramatic and philosophical world implied a reflection upon Gide's links to Italy, and Pirandello's ones to France, such as upon the notion of influence in Gide.
