

Histoire du droit de l'environnement

De la protection environnementale à l'évolution du droit des biens

Publication type: Article from a collective work

Collective work: [L'Histoire du droit en France Nouvelles tendances, nouveaux territoires](#)

Author: Legal (Pierre-Yannick)

Abstract: The protection of resources reappears in 1970. This new branch of law encompasses the notion of sustainable development. The transposition of European directives interrogates the categories of property, and the preservation of the environment, established in principle, seeks to nuance certain concepts in civil law and political economics.
