Publication type: Article from a collective work

Collective work: [L'Historia regum Britannie et les « Bruts » en Europe. Tome II. Production, circulation et réception \(xii^e-xvi^e siècle\)](#)

Author: Roberts (Brynley)

Abstract: Brynley Roberts analyses the texts of 9 Welsh versions or redactions of HRB ranging from the early 13th c. to the 16th c. Many of these are amalgams and most appear to have been associated in some way with the Cistercian abbey of Valle Crucis in N.-E. Wales. The texts represent a creative response to HRB in changing social and political circumstances over a long period in a particular area of Wales.
