

## **L'Institutionnalisme historique et la relation entre théorie et histoire en économie**

Publication type: Book

Author: Hédoïn (Cyril)

Abstract: This book provides a rational reconstruction of the research programme into historical institutionalism in economics. The specificity of this programme lies in the fact that it constitutes both an historicisation of theory and a theorisation of history.

Number of pages: 435

Parution: 01-09-2014
