

La Fabrique de la race dans la Caraïbe de l'époque moderne à nos jours

Publication type: Collective work

Editors: Cellier (Marine), Damerджи (Amina), Lloret (Sylvain)

Preface writer: Célestine (Audrey)

Abstract: This book analyzes over a long period of time and with a wide disciplinary range the manufacture of Race in the Caribbean. Following an exploration of the various fields of racialization, the contributions focus on the effects of race-related taboos and invisibility.
