

La Grammaire française au xvi^e siècle

Les grammairiens picards

Publication type: Book

Author: Demaizière (Colette)

Abstract: In the sixteenth century, French became the official language of France, resulting in the need to regulate it. This work examines the treatises of the seven Picardian grammarians, from "l'écolâtre" to the Collège Royal professor, who brilliantly contributed to the establishment of a new grammatical science.
