

The secret of academicians revealed

Fictions and dreams of philosophical legacies

Publication type: Journal article

Journal: [La Lettre clandestine](#)

2020, n° 28. [Pensées secrètes des académiciens. Fontenelle et ses confrères](#)

Author: Sandrier (Alain)

Abstract: This study examines the dreams of thoughts that were kept secret and then revealed posthumously, which spread through the world of the Parisian academies and were then manifested in the form of fiction in clandestine literature: the Abbé de Saint-Pierre, Duclos, Fontenelle, D'Alembert, and d'Holbach are decisive milestones in this discourse, which articulates the issues of the "double doctrine" in the context of the academies.

Pages: 185 to 196
