

## La Mémoire de Paolo Sarpi au prisme de l'Histoire

à l'occasion du quatrième centenaire de sa mort

Publication type: Collective work

Editors: Viallon (Marie), De Franceschi (Sylvio Hermann), Dompnier (Bernard), Souriac (Pierre-Jean)

Abstract: While some saw the death of Paolo Sarpi as an opportunity to erase all trace of him once and for all, others sought to do the exact opposite and sanctify him. Between these two extremes, and over the course of four centuries, intellectuals of all hues have sought to take a position on this question.
