

***La Part maudite* de Georges Bataille**

La dépense et l'excès

Publication type: Collective work

Editors: Limousin (Christian), Poirier (Jacques)

Abstract: George Bataille's *La Part maudite* was published in 1949. In the post-war period, this text was disconcerting. Poorly understood, it has been discredited by both specialists and readers of Bataille. All the more reason to return this essential text and its dream of pure expenditure to its rightful place.
