

La Parure et autres contes parisiens

Publication type: Book

Author: Maupassant (Guy de)

Scientific editor: Bancquart (Marie-Claire)

Abstract: This collection lets readers rediscover the Parisian tales of Maupassant. He describes the metamorphoses of the capital in the 1880s and 1890s and brings the world of employees into literature. Marie-Claire Bancquart analyzes the influence of the chronicle and reportage on Maupassant's writing.
