

L'écoute méditative en poésie

(Réflexions à partir de quelques poètes)

Publication type: Article from a collective work

Collective work: [La Poésie comme espace méditatif ?](#)

Author: Quillier (Patrick)

Abstract: Poetry can in no way be a space, were it psychical. If there is meditation in it, by it, and through it, it then does not occur in a space, but rather in relation to a time freed from spatial and chronological restraints.

Pages: 107 to 131

Collection: [Encounters](#), n° 104
