

## La Première réception des *Essais* de Montaigne

(1580-1640)

Publication type: Book

Author: Millet (Olivier)

Abstract: Refuting the idea that the *Essais* were largely ignored, this collection gathers little-known critical texts from 1580 to 1640. The manner in which the *Essais* were received shows that they enriched literary criticism and creation from the end of the Renaissance to the threshold of the French classical age.
