

La Problématique de Schumpeter

De la nouveauté à la théorie générale du capitalisme

Publication type: Book

Author: Velardo (Tristan)

Preface writer: Gislain (Jean-Jacques)

Postface writer: Mardellat (Patrick)

Abstract: This book intends to reconstruct Schumpeter's general theory of capitalism in the light of a central question: the dynamics of novelty; and then to investigate the philosophical background of the economic theory by uncovering two philosophical substrates, Nietzschean and Darwinist.
