

Vanishing ways

The Myth of Travel

Publication type: Journal article

Journal: [La Revue des lettres modernes](#)

[2021 - 2. La Littérature de voyage aujourd'hui. Héritages et reconfigurations](#)

Author: Piguet (Raphaël)

Abstract: Under which conditions can one still recount their journeys? And why do so in the first place? These questions are raised again today with renewed urgency. At a time when the world seems bound to disappear, the myth of travel as an experience through which the subject disappears is itself threatened; its structural contradictions flare up. The contemporary travel writers' formal choices consequently take on not only an aesthetic, but also an ethical dimension.
