

## Barbey d'Aurevilly and the Spanish spell

Publication type: Journal article

Journal: [La Revue des lettres modernes](#)  
2023 - 10. Les émotions

Author: Hendrycks (Éric)

Abstract: What interests us is to leave the surface to explore the depths of the Aurevillian soul, to suggest how Barbey's love for Spain could have developed in such a way that it was experienced as a fate, that is, as something that precisely eludes any attempt at inventory, any psychological grasp, overcomes them and signs their defeat.
