

Le Bel objet **Les paradis artificiels de la Pléiade**

Publication type: Book

Author: Joukovsky (Françoise)

Abstract: This book studies the representation of the “beautiful object” and the manifestation of beauty in the poetic practices of La Pléiade. At the heart of the texts of Pierre de Ronsard, Joachim du Bellay, and Rémy Belleau, an applied aesthetic is identified, illuminated by the philosophical and pictorial treatises of the Renaissance.
