

Le Monde méditerranéen et l'Europe au Bas-Empire et au haut Moyen Âge (IV^e-XI^e siècle)

Publication type: Book

Author: Kaiser (Reinhold)

Abstract: This volume unfurls the full breadth of European culture from the fourth to the eleventh century, from the Low Roman Empire to the Middle Ages. As antiquity was dying and the Middle Ages emerged, three cultural spheres formed: Greek, Latin, and Arabic. This overview encompasses all the political, cultural, religious, economic, and social aspects of this transformation.
