

## Le Temps et les jours

dans quelques recueils poétiques du <sup>xvi</sup><sup>e</sup> siècle (Scève, Louise Labé, Ronsard, Du Bellay, Desportes, Du Bartas, D'Aubigné)

Publication type: Book

Author: Bellenger (Yvonne)

Abstract: The reality of the world was never completely ignored by the poets of the sixteenth century, and the movement of time was always felt. From Maurice Scève to Agrippa d'Aubigné, the contributions gathered here first analyze the interplay between time and love, then the relationship between time and the life of the world.
