

## Paroles méditerranéennes

Publication type: Journal article

Journal: [Les Cahiers du dictionnaire](#)  
[2016, n° 8. Les mots de la Méditerranée dans le dictionnaire](#)

Author: Rey (Alain)

Abstract: The words exchanged around this intercontinental sea—then beyond it—make the Mediterranean one of the most powerful observatories of products of the human spirit. The lands that border it, the intercontinental lands of Asia, Africa, and Europe, are the matrices and the cradles, the sources and the destinations of so many languages, French in particular.

Pages: 21 to 28
