Publication type: Journal article

2020, n° 12. Dictionnaire et démocratie. Dictionnaire et enfer

Author: Rey (Alain)

Abstract: Dictionaries are meant to teach the meaning of words. When it is question of outstanding values such as “freedom”, “justice”, “human rights”, dictionaries cannot only display meanings in their chronological evolution. Hence, the time has come to make a difference among them, considering their autonomy, their appropriateness, their democracy.
