

Money and finance in line with dictionary

Publication type: Journal article

[2021, n° 13. Dictionnaire et exemple Dictionnaire, économie, entreprise](#)

Author: Collomb (Corinne)

Abstract: This semantic dive reveals that the history of money and finance is inseparable from the history of humanity and that for centuries; the dialogue between individuals is often accompanied by transactions. This journey, in the past but also in modernity, leads to the discovery of expressions and words sometimes fallen into disuse, sometimes present in the online dictionaries only.
