

“Freedom” in the dictionaries

Publication type: Journal article

Journal: [Les Cahiers du dictionnaire](#)
[2022, n° 14. Dictionnaire et grammaire Dictionnaire et liberté](#)

Author: Dotoli (Giovanni)

Abstract: Dictionaries are either restrictive or extensive. For the entry «Freedom», they are more or less all extensive, except for the tourist glossaries. This is because this word is the heart of human life. And that it follows the evolution of history. The word “Freedom” proves that the dictionary is a democratic text, and a “land of freedom”.
