

Les Équivoques de l'institution

Normes, individu et pouvoir

Publication type: Collective work

Editors: Djordjevic (Élodie), Tortorella (Sabina), Unger (Mathilde)

Abstract: This publication examines the ambiguity of institutions and the singular understanding of normativity that institutionalism offers. Here, lawyers and philosophers analyze the different forms of institutions, their roles as social organizations, and their involvement in the birth of the state as well as political freedom.
