

Corneille, Rotrou et l'héritage des modèles espagnols, à propos de quelques personnages de fils rebelles

Publication type: Article from a collective work

Collective work: [Les Héritages littéraires dans la littérature française \(xvi^e-xx^e siècle\)](#)

Author: Wild (Francine)

Abstract: Young heroes or future kings do not refuse their heritage ; they grow into it while making personal choices. A hasty or late transmission is often at the heart of the tragedy. As for the authors, they adapt the Spanish models freely but diversely.
