

Héritages épistolaires : la lettre au grand écrivain

Publication type: Article from a collective work

Collective work: [Les Héritages littéraires dans la littérature française \(xvi^e-xx^e siècle\)](#)

Author: Diaz (Brigitte)

Abstract: In xixth century the epistolary plan of « the letter to the great writer », often practised by young writers of the century, is a relay by which spread and are accredited aesthetic values founding an artistic heritage. This article deals with examples of different kinds of epistolary inheritance.
