

Le grotesque : un héritage difficile à la fin du XIX^e siècle

Publication type: Article from a collective work

Collective work: [Les Héritages littéraires dans la littérature française \(XVI^e-XX^e siècle\)](#)

Author: Leclerc (Virginie)

Abstract: This contribution describes the evolution of the relationships between humans and inheritance. The example of the figurative and literary grotesque, which hardly could be succeeded, demonstrates how the legacy of the past ceases being a model to imitate and becomes a pretext for new creations.
