

Un siècle de balbutiements d'une scolarisation chaotique à Mayotte

Publication type: Article from a collective work

Collective work: [Les Littératures francophones de l'archipel des Comores](#)

Author: Attoumani (Nassur)

Abstract: This is a short history relating the way France managed to keep the Comoro inhabitants on the sidelines of the French speaking world from 1845 to 1975. In Mayotte, school became compulsory only in 1992. That is the reason why writers from the Comoro Islands joined the writing world very lately.
