

Édouard Herriot, président de la Chambre des députés et de l'Assemblée nationale

Publication type: Article from a collective work

Collective work: [Les Présidents de l'Assemblée nationale de 1789 à nos jours](#)

Author: Benoit (Bruno)

Abstract: Herriot, the president of the Chamber and designated as the honorary president of the National Assembly, garnered support amongst his colleagues through his patriotic and Republican speeches. Peace and the Republic create unanimity: the Right appreciated the references to France while the Left to freedom and social aspects. Herriot underlined the deputies' responsibility in the defence of republican democracy faced with internal and external threats and affirmed his attachment to parliamentary government.
