

## Paul Deschanel, président de la Chambre de 1912 à 1919

Publication type: Article from a collective work

Collective work: [Les Présidents de l'Assemblée nationale de 1789 à nos jours](#)

Author: Bock (Fabienne)

Abstract: Of Deschanel, history might have retained the tragi-comic end to his functions as the President of the Republic. Yet his election against Clemenceau only crowned a long parliamentary career during which he twice gained the presidency of the Chamber, preparation for the supreme magistracy. This experience allowed him to reflect on the qualities and role of a President of the Chamber, before putting it into practice during the Great War.
