Les troubadours et leur réception à l'époque contemporaine dans l'écriture amoureuse de Jean Boudou

Publication type: Article from a collective work

Collective work: [Les Troubadours dans le texte occitan du xx^e siècle](#)

Author: Oliveira (Élodie de)

Abstract: Boudou's acquaintance with the troubadours is dual, between a faithful quotation of medieval texts and a criticism of their interpretation in the 20th century. His lyrical and fictional writing is a reconsideration of research studies on the troubadours produced in the contemporary occitan movement.
