

La lumière, au coeur du *trobar* et de la poésie de René Nelli

Publication type: Article from a collective work

Collective work: [Les Troubadours dans le texte occitan du xx^e siècle](#)

Author: Bonnet (Marie Rose)

Abstract: R. Nelli, throughout her life and work, carried along a never-ending dialogue with the medieval lyrics of southern France. The light is one of the leitmotifs of those exchanges. Loaded with symbols, it allows the whole work to express the relationship between the *dona*, and the sun, with love and death.
