

La tolérance

Conviction philosophique ou produit culturel ?

Publication type: Journal article

Journal: [Libertinage et philosophie à l'époque classique \(xvi^e-xviii^e siècle\)](#)
2017, n° 14. La pensée de Pierre Bayle

Author: Balázs (Peter)

Abstract: This article is a reflection on the historiography of the relationship between the practice of tolerance on one hand and the culture or philosophy of the Enlightenment on the other. In particular, it analyzes the relationship between the competing theories formulated and disseminated on freedom of conscience and the practice of tolerance in Europe during the *âge classique*.
