

« Les actions, les factions et les choses monstrueuses de ce temps-là »

La notion de faction chez Agrippa d'Aubigné

Publication type: Article from a collective work

Collective work: [Littérature et politique. Factions et dissidences de la Ligue à la Fronde](#)

Author: Fanlo (Jean-Raymond)

Abstract: In the *Tragiques*, Agrippa d'Aubigné evokes "the actions, factions and monstrous things of that time", in order to condemn them. Yet he defends the similar words of *parti* and *partisan*. His politics, founded on a religious opposition between the threatened elect and the agents of the Antichrist seeking to exterminate them, is in line with a poetics of violence which, far from constituting a unifying *ethos*, transgresses and takes sides.
