Publication type: Book

Editors: Charansonnet (Alexis), Gaulin (Jean-Louis), Mounier (Pascale), Rau (Susanne)
Editor assistant: Chartrain (Frédéric)

Abstract: This anthology offers a previously unseen reconstitution of the history of the city of Lyon from 843 to 1601. The texts and images, coupled with an introduction, underline the frontier position of the city, its changes in political allegiance, and the consequences of its annexing by France in 1312.
