

Malraux vu du Japon

Roman, essai et arts

Publication type: Collective work

Editors: Hata (Ayako), Nagai (Atsuko), Yoshimura (Kazuaki), Yoshizawa (Hideki)

Abstract: We study here the thought that Malraux's work conveys, between modernism, tragic humanism and political intervention, as well as his conception of art - from the constitution of the museum to the deployment of an aesthetic combining a fine reading of singular works and transcultural dialogue.
