

Mangeurs d'homme et mangeurs d'âme

Une correspondance missionnaire au xvi^e, la lettre jésuite du Brésil, 1549-1568

Publication type: Book

Author: Laborie (Jean-Claude)

Abstract: Revealing the anthropological, spiritual, and political stakes of an exceptional epistolary corpus, this essay shows how the letters of Jesuit missionaries in Brazil became the consoling fiction of a new tropical church before inspiring other fictions in the historiography of the Order.
