

Marguerite Yourcenar, une femme à l'Académie Malgré eux, malgré elle...

Édition revue et augmentée

Publication type: Book

Author: Brémond (Mireille)

Abstract: Here is a detailed investigation into the election of Marguerite Yourcenar to the Académie Française, the first woman to receive this honor: from the unprecedented media campaign that was set in motion to the strategy led by the woman herself, this richly documented work analyzes the long journey that culminated in this achievement.
