

## Massacre en Provence

### Le Parlement et les vaudois (1540-1545)

Publication type: Book

Author: Audisio (Gabriel)

Abstract: Here is the text of two registers of the Parlement of Aix, devoted to the repression in Provence. The first dated 1540, the year of the arrêt of Merindol against the Waldensians of Luberon ; the second 1545, year of it's execution. Finally the delay of the execution is explained and also how it took a slaughter.
