

## **Maximes** ***suivies des Réflexions diverses***

Publication type: Book

Author: La Rochefoucauld

Scientific editor: Truchet (Jacques)

Abstract: This edition of the *Maximes* of La Rochefoucauld established by Jacques Truchet remains a work of reference. By deciding to combine all the documents, revisions, and variants in the text, it offers the moralist's masterpiece to the modern reader in its most complete form.
