

Memoires touchant l'etablissement d'une mission chrestienne dans le troisieme monde Autrement appelé, la Terre australe, meridionale, antartique, & inconnuë

Publication type: Book

Author: Paulmier (Abbé Jean)

Scientific editor: Sankey (Margaret)

Abstract: Abbé Paulmier's *Mémoires* occupy an important place in the European history of the concept of *Terra australis*. This critical edition, the first since 1664, is enhanced by previously unpublished documents as well as a preface placing the work in its historical and cartographic context.
