Mémorial de Sainte-Hélène. Tome II

See also [Tome I](#)

Publication type: Book

Author: Las Cases (Emmanuel de)

Scientific editor: Fugier (André)

Abstract: The second volume of the *Mémorial de Saint-Hélène* covers the period from July 1816 to November 1816, when the Count of Las Cases was expelled from the island by the English authorities. The character of Napoleon, the historical figure and heir to the Revolution, continues to develop over the course of their conversations.
