

Musique et lexique à la Renaissance

Une approche de la musique ancienne par ses mots

Publication type: Collective work

Editors: Diego Pacheco (Cristina), García Pérez (Amaya S.)

Preface writer: Greub (Yan)

Abstract: The meaning of musical terms contained in written sources have been modified over the centuries, and at the same time, some terms remain hard to understand. This volume examines the musical terms of the Renaissance through some contributions focused on French and Spanish vocabulary.
