Social media neologisms from the 1990s to the 2010s in German

Publication type: Journal article

Journal: [Neologica](#)

[2019, n° 13. La néologie à l'ère de l'informatique et de la révolution numérique](#)

Author: Klosa-Kückelhaus (Annette)

Abstract: This paper discusses German neologisms in the so-called “new-media” and presents a German corpus-based online dictionary of neologisms. Several neological morphemes and lexemes, as well as their meaning will be presented, showing that these new modes of communication are an important source of enrichment of German lexicon.
